WHAT

Summer School is an opportunity to enjoy summer, meet new friends, and become better equipped to serve in 2020. It's aimed at any youth leader aged 18 and over who wants to dig deeper.

Mornings will be spent together learning practical ministry skills and exploring topics such as leadership and discipleship.

- Effective youth ministry
- Preparing Bible studies
- Leading small groups
- Adolescent development
- Youth culture
- Listening skills
- Resolving skills

Afternoons are free time! Go swimming, read, or just relax.

Evenings will be spent together in worship, inspiration, sharing and prayer, based around the following:

- Prayer ministry with young people
- The call to youth ministry
- The frustrations of youth ministry
- Personal wholeness and youth ministry

WHY

WHAT'S GOING ON IN A **TEEN'S** BRAIN?

HOW CAN I BE A GREAT **LEADER**?

CAN I HAVE **HARD** CONVERSATIONS?

It can be challenging working with an age group that is open to exploring faith - yet at the same time they are still maturing as they cope with stress and pressure.

The Summer School of Youth Ministry is an opportunity to set aside some time to have an in-depth look at what makes for an effective leader and an effective youth ministry. We need to be godly leaders who are skilled and knowledgeable, not just in faith but also know how to lead effectively.

- Gain new skills + insights
- Find answers with likeminded people
- Be challenged
- Be encouraged in your own walk with Jesus
- Understand the call he has placed on your life
- Know how he wants to work through you

SCHOLARSHIP

The cost for the week, including accommodation in cottages and all meals, is \$345.

We are offering \$150 scholarships for those in CCCNZ churches who are already in youth leadership or who have been appointed to a youth leadership role in 2020, making the final cost just \$195.
